REPORT OF SCHOOL BOARD.

Fellow Citizens:

With pleasure we again submit to you our annual report.

Our schools, as a whole, have been very successful. The Yellow school was closed because of diphtheria among its scholars.

We have been very fortunate in our teachers, securing earnest, faithful workers. The scholars have shown marked improvement, both in scholarship and deportment.

We feel very grateful to the parents and citizens for the kindly interest shown in the schools the past year and for the encouragement thus given to both teachers and pupils.

We extend our thanks to all who have helped us to make this a successful school year.
